Brooklyn, NY 11231-9997

To support the Kentler Flatfiles Digital Archive Project. The project will be a custom collections management system for the digitization of contemporary drawings and works on paper. Implementation of the project will include cataloguing, labeling, storage of artworks; photography and image editing; and procurement of image permissions from copyright holders. Thousands of works on paper will be archived, including drawings, paintings, collages, prints, photographs, artist's books, and handmade paper objects. Art works by local, national and international artists are selected for inclusion in the archive following a critical review process by a committee of arts professionals.
